

# REMOVABLE REAR WHEEL BAG

**SERIOUSLY TOUGH STORAGE!**

**NEW  
PRODUCT**

MSA 4X4's 54ltr Removable Rear Wheel Bag provides that extra storage facility to free up valuable space inside the vehicle. Perfect for trips where you don't want muddy or wet gear or used recovery gear inside your vehicle on the way back home. As with all MSA 4X4 quality products, everything has been carefully thought of.

**'Anti-drop' Strap**

**Reinforced Pockets  
& Base**

**Lockable Zip**

**Note:** Padlock not included

**'Anti-theft' Strap**

**'Quick Fit' Harness**

**Heavy Duty Nylon**

- ✓ Fully adjustable harness system that fits any tyre size
- ✓ Lock strap allows for padlocking to the wheel for additional security
- ✓ Easy to remove alloy buckles on bag
- ✓ Handle on top for easy carry
- ✓ One piece main body of bag for additional strength
- ✓ Reinforcing straps around main body and under base
- ✓ Polypropylene inserts for stiffening to hold the bags shape
- ✓ Unique Anti-Drop harness system prevents the bag from sagging behind the vehicle when filled with gear
- ✓ Extra zippered and reinforced pockets on each side for storage of smaller items
- ✓ Reflective safety strips on the front for high visibility in the dark
- ✓ Removable from harness to use around camp
- ✓ Drainage eyelet to release any fluids
- ✓ Lockable YKK chunky twin zip & sliders
- ✓ Manufactured from heavy duty 1680 Denier Oxford Nylon with PVC backing
- ✓ Two hanging tabs with stainless steel eyelets for around camp
