

# REAR WHEEL RUBBISH BIN

**KEEP RUBBISH OUTSIDE YOUR VEHICLE.**

**NEW  
PRODUCT**

Manufactured from seriously heavy duty 1680 Denier, PVC backed nylon, it's guaranteed to withstand all that the Australian environment can throw at it. It won't go stiff and crack in the cold.

**Heavy Duty YKK Zip**

**Easy empty base**

Your rubbish is secure with a YKK Chunky zip and double, reinforced sides. The Rear Wheel Bin comes with a stainless steel drainage eyelet to release any fluids, a quick-fit, 50mm harness system that can be installed and removed in 30 seconds and will fit any tyre size including caravan and camper spares.
