

75 SERIES LANDCRUISER PILLAR POD

Installation Instructions

Part No: SGP1207
(cab chassis only)

v20190409

Important notes before installing:

- All installation work should be done by a qualified professional to avoid damage to this product.
- This product is supplied raw and may discolour if exposed to direct sunlight for long periods. To avoid this, SAAS recommends colour matching this product to suit your vehicles interior. (See below for painting tips)

Fitting Steps:

- Remove factory grab handle.
- Line up pillar pod with factory grab handle holes and screw grab handle back on to check that it lines up correctly.
Note: Due to the age of these vehicles some minor trimming may be required to achieve a perfect fit.
- Remove the pillar pod.
- Fit gauge cups to pillar pod and refit pillar pod. (see page 2 for gauge cup assembly diagram)
- If extra support is required, fit the supplied rivet clip at the base of the pillar pod by drilling a 5mm hole through the pillar pod and factory A-pillar. (see page 2 for location)

Painting Tips:

- **Colour Matching steps:** Use a scotch pad to lightly scuff the surface > clean with wax and grease remover > undercoat with plastic primer > spray top colour > do not clear coat.

Installing Gauges to Cups:

- The supplied o-rings (one for each gauge) are used to fit gauges to cups. The placement of the o-ring will determine how tight the gauge will sit in the cup. (refer to diagram)

Gauge Cup Assembly:

Warranty Terms & Conditions:

SAAS Automotive Pty Ltd warrants this product against defects in factory workmanship and materials for a period of twelve (**12**) months from the date of original purchase. This warranty applies to the first retail purchaser, is non-transferable and covers only where the product has been subjected to normal use or service. Provision of this warranty shall not apply to any SAAS Automotive product that has been used for a purpose for which it is not designed, or which has been altered in any way that would be detrimental to the performance or life of the product, or misapplication, misuse, negligence or accident. Warranty claims to the manufacturer must be transportation prepaid and accompanied with dated proof of purchase. On any part or product found to be defective after examination by SAAS Automotive Pty Ltd, SAAS Automotive Pty Ltd will only repair or replace the merchandise through the original selling dealer or on a direct basis. SAAS Automotive Pty Ltd assumes no responsibility for diagnosis, removal and/or installation labour, loss of vehicle use, loss of time, inconvenience or any other consequential expenses. The warranties herein are in lieu of any other expressed or implied warranties, including any implied warranty of suitability, and any other obligation on the part of SAAS Automotive Pty Ltd, or the selling dealer.
