

# MSA 4X4 FRIDGE BARRIER

## INSTALLATION INSTRUCTIONS

# CONGRATULATIONS ON YOUR PURCHASE OF A QUALITY MSA 4X4 FRIDGE BARRIER!

Years of design, development and manufacturing knowledge goes into every MSA 4X4 product to ensure that our products are the very best they can be! Established in 2000, MSA 4X4 Accessories are the 4WD market leaders in quality Canvas products which include Certified ADR Compliant Canvas Seat Covers, Rear Wheel Bags, Rear Wheel Rubbish Bins, Vehicle Organisers and more.

We pride ourselves on our innovative products which include the world first, revolutionary Fridge Dropside, the new patent pending Explorer Aluminium Storage Drawer System which delivers a whole new level of access to the drawer contents, the original Water Bra, fully adjustable air lumbar support systems, and an extensive range of 4x4 accessories that have stood the test of time.

As testament to our innovative culture, we own 19 patents in Australia & Internationally across our range of products including innovations currently within the patent process. We are a growing team with a vast knowledge of what works and what doesn't work out in the real world and constantly strive to deliver the highest quality product to our customers. We treat every product design with fear of failure in mind, ensuring our products are always the very best they can be. All our products are designed to be as simple as possible to use and are supported by our MSA 4X4 Lifetime Guarantee.

Our products are available through a network of over 400 stockists Australia wide.

# FRIDGE BARRIER

## INSTALLATION INSTRUCTIONS

Please follow these instructions to ensure that your new Fridge Barrier is installed correctly.

1. Remove all Mesh panels from carton as well as the installation kit.
2. The left, right and rear lower panels have mount tabs with countersunk holes. The countersunk holes on all panel mounting tabs must be on the outside with the threaded mount tabs underneath.
3. Attach the threaded mounting tabs of either the left or right lower panel to the rear lower panel mount tabs using the supplied countersunk bolts. Do not tighten completely at this point.
4. Attach the second side panel in the same manner. **Now** firmly tighten all counter sunk bolts.
5. **Please Note:** Depending on your vehicle and particular type of installation it may be necessary to assemble the Fridge Barrier around the Fridge Slide without the Fridge installed as it may not be possible to assemble the barrier completely and lower it over the top.
6. Starting with the top panel assemble the upper left, right and rear panels using the Blue Anodised Brackets with STAINLESS ALLEN HEAD M8 (16MM INCLUDING SPLIT WASHERS). **\*Ensure that the plate with the adjustment holes on these upper panels has the flush side facing out\***. There are two (2) of the Blue Brackets on each side and two (2) on the rear panel. Position these brackets back approximately 50mm on short panels and 75mm on long panels from each corner.  
**Do not completely tighten at this point**
7. Using the STAINLESS BUTTON HEAD ALLEN KEY M8 BOLTS (20MM INCLUDING FLAT WASHERS AND NYLOC NUTS), install the upper Fridge Barrier Assembly into installed lower Fridge Barrier Assembly and adjust height to suit your fridge.
8. Tighten Blue Anodised Brackets and remaining nuts and bolts once all components are aligned.

# FRIDGE BARRIER

## INSTALLATION INSTRUCTIONS

9. When fitting the Fridge Barrier in place make sure to move the barrier as far forward as possible, leaving approximately 5mm between the back of the Barrier and the back of the Dropslide or Fridge Slide. Using the Button Head Self Tapping Screws provided, secure the Fridge Barrier to the mounting surface.
10. For installations where our MSA 4x4 Dropslide is used, please adjust the Handle Brackets that hold the Dropslide handle up so that there is approximately 10mm clearance from the Fridge Barrier.
11. A black bungee cord is included in the installation kit. This is to be used for keeping your fridge power cords up out of the way and can be attached to the Fridge Barrier Mesh at one end and to your power cords at the other end as best suits your installation.

# LIFETIME GUARANTEE

## TERMS & CONDITIONS

All MSA 4x4 Accessories products are designed and manufactured to the highest quality standards to perform as they should. We stand behind our products with a Lifetime Manufacturer's Warranty.

All claims under this warranty should be made by returning the product at your cost to MSA 4x4 Accessories Pty Ltd, 43 Harrington Street, Arundel, QLD 4214, with the detail of the fault, proof of purchase, proof of identification and vehicle fitment details where relevant. Lifetime manufacturer's warranty applies to the original purchaser only.

If we determine that an MSA 4x4 Accessories product is defective in materials or workmanship during the Lifetime Warranty, we will either repair or replace the product. Repair or replacement is solely at the discretion of MSA 4x4 Accessories Pty Ltd.

This warranty does not apply to failure or damage caused by incorrect or faulty fitment, accidental or intentional damage, misuse or abuse, failure of other products, operation of the product outside of its environmental or technical specifications, or repair or modification carried out by anyone other than MSA 4x4 Accessories Pty Ltd. No charges will be accepted for external labour or materials.

Lifetime warranty is applicable to all MSA 4x4 Accessories Fridge Slides, Fridge Barriers, Storage Drawers, and steel or aluminium products. MSA 4x4 Accessories Lifetime warranty does not cover any coating faults, rust, scratches, chips, carpet or battery packs. Fabric product Lifetime Warranty covers all manufacture and fabric components. Lifetime Warranty will not cover any fading of fabrics.

MSA 4x4 Accessories products are designed for lifestyle applications. Due to the harshness of the mining environment, MSA 4x4 Accessories products used in mining applications that may be operating outside of their environmental and technical specifications, are therefore excluded from a Lifetime Warranty. MSA 4x4 Accessories products used in mining applications are warranted for up to 1 year.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
